GET TO KNOW PLACES IN BERLIN
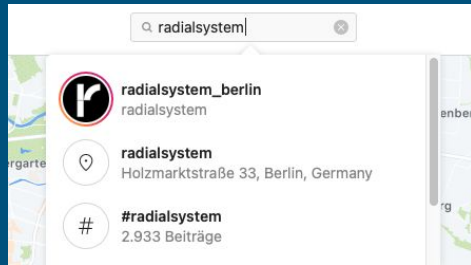

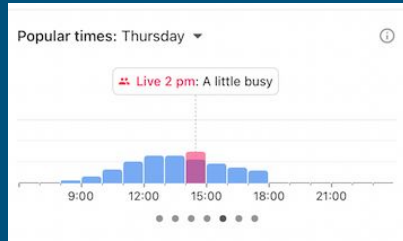

ENTITY RELATIONSHIP DIAGRAMM
BY DAVIS & ISABEL

Working Process

- Brainstorming & writing down all information we want to show

- Building the ERD in Lucidchart

- Presentation and showing unstructured data ideas in presentation

Unstructured Data: Popularity of a place

- googlemaps busy times

- instagrammable, eg. number of followers, hashtags, mentioned in places

- mentioned online in blogs or articles

Challenges

- Understanding relationships

- Primary-key, foreign-key

- Reflecting all of the ideas in the allocated time

Thank you for your attention. Questions?
